EXPERIENCE

UI/UX Intern

Shepherd Money

May 2023 - Aug 2023 - San Francisco, California

In collaboration with five cross-functional teams, I conceptualized, designed, and developed the company's inaugural mobile app with an agile design process: research, design, test, and iterate.

UX Design Consultant

Boston Public Library

September 2022 - April 2023 - Ann Arbor, Michigan

Conducted user testing, surveys, and interviews for BPL's special collections website, delivering data-driven recommendations and optimizing for improved navigation and information architecture.

Graphic Design Intern

MindFlow Speed Reading

Jun 2022 - Aug 2022 - San Francisco, California

Strategized and produced eye-catching social media content to drive traffic to company website, increasing Instagram following by 40%.

Product Design Intern

AiCure

Jun 2021 - Aug 2021 - New York City, New York

Directly collaborated with Product Lead to define, solve and implement creative solutions for company's rebranding initiative.
